Whether you’re just starting out, preparing to retire, or somewhere in between, a career in public education can seem like a labyrinth to navigate on your own. Luckily, you don’t have to. #WeAreCTA and we’ve got your back.

Strength in Numbers

Did you know you’re the engine that (em)powers CTA? But not just you. We’re all in it together.

Just by being a member, you’re helping teachers across California find smaller class sizes and safer working and learning conditions. Your membership is helping an education support professional in another district bargain for a living wage and a veteran educator retire with dignity. And your membership adds to our power to secure and share cost savings through the CTA and NEA Member Benefits programs.

And collectively, as one voice, we’ve made a lot of important changes through the years — at the local school board, at the California State Capitol, and in the halls of our nation’s Capitol.

CTA is a representative democracy.

As a CTA member, you get to vote for someone to represent you on the CTA State Council of Education, CTA’s largest governing body. You also vote for your own local chapter officers and delegates to NEA’s Representative Assembly, which is the largest union governing body in the country.

The 743 State Council representatives, in turn, elect the three state-level CTA officers and the CTA Board of Directors. Together, the state officers, the Board of Directors, and State Council set CTA’s priorities and goals.

At the national level, the NEA Representative Assembly delegates, the officers, and the NEA Board of Directors do the same.

DID YOU KNOW?
California is home to the fifth-largest economy in the world, more than 10,500 public schools and 9 million students.

Out of many, one!

Together, we number 3 million members across the country. That’s 310,000 just in California from nearly 1,100 chapters. At the same time, it all comes down to you. As a member-driven organization, you decide, well, everything! From the trainings CTA offers to what we fight for at the Capitol, you steer CTA’s course.

This is what it means to be member-driven.

Every member has a voice.

CTA’s organization ensures that every member has a voice and a vote in determining our union’s values, goals and leaders. CTA members just like you built, maintain and enhance this structure to advocate for, support and defend the public schools our students deserve, and focus on the needs of educators working hard to make a difference in classrooms.

158 YEARS OF ADVOCACY... A SMALL SAMPLING

CTA is founded by Superintendent of Public Instruction John Swett with fewer than 100 members, all male.

CTA’s first legislative win establishes free public schools for all California children — including schools for students of color.

CTA leads state funding fight to establish community colleges. All CTA’s urging, free textbooks are printed and distributed at state expense.

California State Teachers’ Retirement System is created by legislation after CTA State Council calls for a statewide teacher pension system in 1910.

CTA wins legal victory when state Supreme Court rules that a school board cannot fire a female teacher simply because she married.

CTA is one of a few organizations in California to protest internment of Japanese Americans at the beginning of World War II.

CTA establishes schools for children of migrant workers and leads the authorization of bilingual instruction classes for English learners.

CTA-sponsored Rodda Act passes making K-14 school employees the first public employees in California to win collective bargaining rights.

CTA drafts and wins passage of Proposition 98 which guarantees a minimum portion of state money to fund K-14 education.

CTA wins Class Size Reduction law for K-3 classrooms.

CTA defeats initiatives that would have cut school funding, destroyed teachers’ due process rights, and silenced the voices of public employees.

Leaders & Advocates

With more than 310,000 educators dedicated to each other, our students and the power of public education, CTA makes a difference every day. With unity brings strength.

Maggie Peacock Butler, 2021 ESP OF THE YEAR, Potter Valley Education Support Professionals Association

Equity, racial and social justice, and economic fairness is achieved not because of the benevolence of those in power but through the collective efforts of courageous people and organizations like CTA.

Telly Tse, CTA BOARD OF DIRECTORS, Beverly Hills Education Association

#WeAreCTA is much more than a mindset, but rather a call to arms that reminds us of the power in collective organizing to better support our members, students and communities.

Yurii Camacho, NEA BOARD OF DIRECTORS, Halfville Teachers Association

Public school educators have the power to change and improve the lives of young people. As CTA members, we have the collective voice to make that change.

Keith Brown, PRESIDENT, Oakland Education Association

Since our founding in 1863, CTA has built a legacy of standing together and working for our members, our students, our craft, and the belief that public education is a cornerstone of American democracy.

It’s these shared values that unite us and make us strong, as 310,000 CTA members from El Centro to Eureka and everywhere in between stand ready to support each other, fight for our students, and defend our schools and community colleges.

While we are unified in our mission and voice, our differences are a major part of what makes us stronger together. Though we are diverse in so many ways, we share an important focus: Advocating for our students, schools and communities. Ensuring that there is a place for everyone in CTA is a value that requires a solid foundation and structure built to be inclusive and equitable, so that every member is seen and heard.

Guided by our values and powered by our solidarity, CTA continues our mission for even greater successes in the years ahead. We will continue to fight for seats at the table in our local communities and the State Capitol, to let our voices be heard, and to work with elected officials who believe in our vision for strong, vibrant public schools that serve all students.

When CTA stands tall for a brighter tomorrow, there’s nothing that can stop us. Because together, We Are CTA.

For Education
Building a Better State for Public Education

Our Advocacy Road Map

CTA’s structure, agenda, long-term plan and policies are contained in the Organizational Handbook. This handbook is our road map, providing the vision and path to accomplish the important work we do. For 158 years, educators have crafted, molded and shaped bylaws and policies to help build our association into the powerful voice for educators it is today. Our agenda and goals are rooted in policies developed by our State Council of Education and set forth in this handbook. More at cta.org/ OrgHandbook.
Fighting for Justice

CTA has a legacy of fighting for justice — for our members and students, and for the shared values we hold dear. This starts with representation on the job when members are treated unfairly, members stand up for students being treated unfairly, or management is pulling something funny. Sometimes these issues require additional expertise, and CTA has an experienced team of attorneys who provide legal advice and assistance to protect the rights of our members and defend our students.

The shared belief that a better world is possible has guided our union since our founding, when a small group of teachers successfully established free public schools for all children in California — including schools that educate students of color. During our 158 years, CTA has fought for justice in our schools and communities — leading efforts to outlaw child labor and enact other legal protections for children; vehemently opposing the internment of Japanese Americans at the beginning of World War II; fighting for the rights of immigrant families to pursue the American Dream; legal protections for children; and for the rights of our members and defend our students.

FUNDING INNOVATION

Teacher-driven & Strength-based
Through special programs, research, conferences, networking, the mobilization of teachers, and community-based coalitions, the Institute for Teaching (IFT) seeks to advance public education and promote the common good of our students and communities. That’s all.

IFT found that school change must include two key factors: It needs to be teacher-driven, and it should be based on what is working and successful in our schools and classrooms.

INNOVATION GRANTS
One of the ways IFT helps struggling students and schools is by awarding innovation grants directly to CTA members and local chapters. To date, CTA members have funded 453 grant projects totaling more than $5.2 million.

All CTA members are eligible to apply for an Educator grant (up to $5,000) or an Impact grant (up to $20,000).

To learn more about everything IFT does and the grants offered, go to cta.org/IFT.

SCHOLARSHIPS & AWARDS
CTA provides grants and awards to educators and members of the community who promote quality public education and impact their students and community. Has your chapter produced exceptionally effective communications? Know a colleague who actively works for social justice and human rights? Those are just a few of the awards we offer. We also award educational scholarships to help support CTA members and their families during the academic year.

Here’s a sampling.

CTA scholarships for members and dependents, including:
1. Scholarships up to $5,000 for dependent children of CTA members.
2. Scholarships up to $3,000 for members.

LGBTQ+ Safety in Schools Grant & Scholarship Program in Honor of Guy DeRosa
Grants up to $2,500 to support groups, projects and presentations that promote understanding of and respect for LGBTQ+ persons; scholarships up to $2,500 for self-described LGBTQ+ members pursuing careers in public education.

Martin Luther King Jr. Memorial Scholarship Program
Scholarships up to $6,000 for members and dependents to encourage students of color to become educators, school nurses, school counselors or school therapists.

César E. Chávez and Dolores Huerta Education Awards Program
Awards up to $550 for both sponsoring counselors or school therapists.
